## How to Place Your Order for Competition University

### Prep Track Instructions:

- 1) A teacher must be identified on the order form or purchase order as a point of contact. (*All correspondence from Competition University will begin with the identified teacher via email from cu@customresources.com.*)
- 2) DECA and FBLA Chapters at the same school may combine numbers of students who will use CU for the best value when ordering. For example, if 25 DECA competitors and 25 FBLA competitors will use CU's Prep Courses, PT-50 may be ordered. (*Ordering PT-50 is a savings of \$245 compared to ordering two PT-25.*)
- 3) If combining DECA and FBLA, the number of students who will use each Prep Track must be noted on the order form in the far left column or noted on the purchase order. ie: 25 DECA / 25 FBLA.
- 4) What is CU-SE? This item is a convenience item for a large chapter. It allows a large DECA/FBLA group separate enrollments, giving each teacher who will use CU the opportunity to enroll separately. This allows each teacher to see only his/her students in their CU gradebook as opposed to seeing all the students enrolled from his/her school.
- 5) Prep Track orders are per school.
- 6) Enrollments are purchased for a school year.
- 7) No pro-rating is available.
- 8) Teachers will be given access in August for early planning. Student enrollments will begin promptly after Labor Day each fall, and any time thereafter at the teacher's convenience.

### Class Track Instructions:

- 1) A teacher must be identified on the order form or purchase order as a point of contact. All correspondence from Competition University will begin with the identified teacher via email from cu@customresources.com.
